

Week 1

Pray for those in the Ness community who may never have come to a saving faith in Jesus Christ. Pray that the gospel message would be clearly preached and taught. Pray that the Holy Spirit would give them the humility to recognize their true standing before God, truly repent and cast themselves on God's grace alone.

Week 2

Pray for God's Spirit to move in the hearts of people in the community (Food Bank included). Our community is a huge mission field. Pray that Ness would be a lighthouse, a place where people would discover the eternal truths of the gospel, where the Word would shine and the Spirit would convict hearts to repentance. Pray for a mighty moving of the Spirit in our community.

Week 3

Pray for the leadership of Ness to grow deeper in their own love for Jesus. Pray that this deep and profound love would under-gird everything they do, from the most mundane and unseen to what is done from the platform and pulpit.

Week 4

Pray for unity at Ness. The devil loves to divide and conquer. He loves to sow seeds of strife in the body of Christ. He loves to prey on the natural, human, sinful tendencies of God's people. Pray that we would be intentional in our unity and Spirit-filled as we live life together as the people of God.

Week 5

Pray for our worship at Ness, that it would be Spirit filled and "in truth". Pray that we would experience the presence of God in our times of worship and be in awe of His power, authority, love, wisdom and grace.

Church Plant—

- Pray for the neighbourhood where the church will be planted. We are looking seriously at Osborne Village.
- Pray for the Ness Baptist family, that we will be moved to seek the Lord in this process of discernment.
- Offer prayers of confession, asking the Lord to show us each what it is that we're called to sacrifice for this new movement.
- Pray for an attentiveness while in God's word, to hear from him and to see his heart for this potential church plant.
- Pray for boldness in your own life. The work of building a new church with new Christians begins by building up Ness with new Christians. And if people from Ness move to help plant, then it falls on those who stay to share the gospel so Ness will continue to grow and God will be glorified!
- Please pray for wisdom in planning. Our leadership team seeks to do God's will in His time.
- Please pray for the Cattani family as they walk through what this new plant will look like for their home.
